This certificate is provided on the basis of the FSSC 22000 certification scheme, Version 6, published April 2023. The certification system consists of a minimum annual audit of the food safety management system and verification of the PRP elements, and additional requirements as included in the Scheme, and applicable technical specifications for sector PRPs listed above. At least one surveillance audit is required to be undertaken unannounced after the initial certification audit and within each three-year period thereafter. Authenticity of this certificate can be verified in the FSSC 22000 database of Certified Organisations available on www.fssc.com

This certificate verifies the original certificate issued and is valid as long as it is displayed as an electronic copy at www.tqcsi.com and surveillance audits are satisfactorily completed. TQCS International Pty Ltd (ABN 59 065 953 924) of Quality House, 117A Tapleys Hill Road, Hendon, SA, 5014, Australia issues certification subject to the TQCSI Rules of Certification.
